***A GREAT START FOR FAMILIES
KAHWÀ:TSIRE RONWATIYENAWÁ:SE
CENTRE***

We offer a judgment free place for families with children **0 to 6 years of age** as well as **expecting parents** to connect with programs and services available throughout the city.

Our goal is to help families with **early support programs** in order to provide the help they need to be successful and thriving in raising their children!

We offer **child minding** services to keep little ones busy while families meet with the support they need.

We want to reduce barriers to services while offering different fun programs and activities such as:

Mom and baby yoga! Cooking classes! Story time!
And much more!

We would like to hear from you about what you want and need to **help you succeed** and we we do our best, together with you, to make it happen!
